Caller cards

Number bingo

Call the number word. Children find the digit and cover it.

one	**two**	**three**	**four**
five	**six**	**seven**	**eight**
nine	**ten**	**eleven**	**twelve**

Cut up the caller cards, mix them and draw one at a time. First to cover a whole line (across, down or diagonal, if the board is square) calls BINGO. Then play to a full board. Check the winner's board by reading the covered squares back to the caller cards.
