Caller cards

Opposites bingo

Call a word, for example 'hot'. Children cover its opposite, 'cold'.

hot (say the opposite)	**big (say the opposite)**	**up (say the opposite)**	**happy (say the opposite)**
fast (say the opposite)	**open (say the opposite)**	**old (say the opposite)**	**tall (say the opposite)**
full (say the opposite)	**light (say the opposite)**	**clean (say the opposite)**	**wet (say the opposite)**
early (say the opposite)	**loud (say the opposite)**		

Cut up the caller cards, mix them and draw one at a time. First to cover a whole line (across, down or diagonal, if the board is square) calls BINGO. Then play to a full board. Check the winner's board by reading the covered squares back to the caller cards.
