Sample questions

Roll both dice. Ask a question with the first word about the second topic.

Who	Who is your best friend? Who makes your breakfast? Who helps you at school?
What	What is your favourite lesson? What do you eat for lunch? What do you do at weekends?
Where	Where do you live? Where is your favourite place? Where would you like to go on holiday?
When	When do you wake up? When is your birthday? When do you do your homework?
Why	Why do you like that game? Why do we need sleep? Why is reading important?
How	How do you get to school? How do you make your favourite food? How many animals can you name?

1. Roll both dice. For example Where + Holidays.
2. Ask a question to your partner: Where did you go on holiday?
3. Your partner answers in a full sentence, then asks the next question.
4. Beginners may ask the question in their own words and answer in one word.
