How to play

Spelling Track

1. Play with two to four players and a dice. One player is the reader each round and holds the word cards.
2. Roll the dice and move. The letter on your square (A, B or C) tells the reader which pile to use.
3. The reader says the word and uses it in a sentence. You spell the word out loud, letter by letter. A pupil who is reader can check using the card.
4. Correct? Stay put. Wrong? Go back one square.
5. Squares marked own word +2: choose any word you can spell, say it and spell it. If you are right, move forward two.
6. For a quiet version, write the spellings on a mini whiteboard and show them together.
