How to play

Word Race Level 2

1. Play with two to five players. You need a counter each, one dice, and the 24 question cards in a pile, face down.
2. Take turns to roll the dice and move that many squares along the track.
3. If you land on a ? square, a partner takes the top card and reads the question aloud. Answer it correctly to stay. If you cannot, go back one square.
4. Squares marked go on 2 and back 2 do exactly what they say.
5. The first player to reach FINISH with an exact roll wins. In a big class, the winner of each group moves to a new group.
6. Teachers: the answers are printed small at the bottom of every card. For an extra challenge, ask for a full sentence.
